NY State SHRM, Best Companies Group and Rochester Business Journal Announce 2024 Best Companies to Work for in New York

The New York State Council of the Society for Human Resource Management, Best Companies Group and Rochester Business Journal have named Meier Supply Co., Inc. as one of the 2024 Best Companies to Work for in New York.

Best Companies to Work for in New York is a research-driven program that examines a company's practices, programs and benefits and also surveys its employees for their perspectives. Best Companies Group managed the overall registration and survey process and also analyzed the data and used their expertise to determine the final rankings.

The best places of employment in New York are identified in three categories: small companies (15-99 employees), medium companies (100-249 employees) and large companies (250 or more employees). To be considered, companies must have at least 15 full-time or part-time employees working in New York; be a for-profit or not-for-profit business or government entity; be a publicly or privately held business; have a facility in the State of New York and be in business a minimum of one year.

There were two parts used to determine the rankings. The first consisted of evaluating each nominated company's workplace policies, practices and demographics, worth approximately 25 percent of the total evaluation. The second part consisted of an employee survey to measure the employee experience, which consisted of 75 percent of the total. The combined scores determined the top companies and the final rankings.

A listing of winners is below in alphabetical order. The final rankings will be announced at the April 18 awards ceremony.

“The 2024 Best Companies to Work for in New York foster a positive environment for employees to thrive. They are champions of business because they look out for the well-being of

their team members in addition to what's best for the company's bottom line," said Suzanne Fischer-Huettner, managing director, BridgeTower Media/Rochester Business Journal. "The New York State Council of the Society for Human Resource Management and the Best Companies Group join us at the Rochester Business Journal in congratulating this year's impressive winners."

The winners will be honored April 18 at the Best Companies to Work for in New York celebration at the Hilton Albany, 40 Lodge St. in Albany. The event begins at 5 p.m. and includes networking, a dinner buffet and a lively, disco-themed awards celebration, which will reveal the winner rankings starting at 6 p.m. The hashtag is #BestCompaniesNY.

Attendance is limited for this event. Winners and sponsors get the first chance to secure tables. Sponsorship includes a table for guests, multimedia marketing, an ad in the awards publication, logo usage and more. To secure a sponsorship, contact Suzanne Fischer-Huettner at shuettner@bridgetowermedia.com.

New this year is a Best Companies Mastermind Seminar about what makes a Best Company to Work For in New York. Starting at 2 p.m. on April 18, the seminar will include Keynote Speaker Jaime Zepeda, executive vice president at Best Companies Group, who will discuss "Maximizing Employee Potential: Strategies for Inclusion in Exceptional Workplaces" followed by a panel discussion on "Best Place to Work Strategies for Sustaining Long-term Success."
