

HAND SANITIZER GEL

REDUCE YOUR RISK OF COVID-19 INFECTIONS

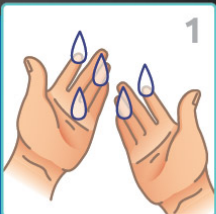

Use an alcohol-based hand sanitizer

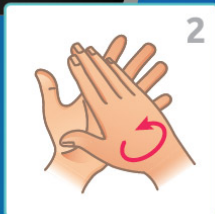

Laboratory data demonstrates that 60% ethanol and 70% isopropanol, the active ingredients in CDC-recommended alcohol-based hand sanitizers, inactivates viruses that are genetically related to, and with similar physical properties as, the 2019-nCoV.

Part #:
RT8989 - Gallon
RT8916 - 16 oz Pump

The Ideal Clean

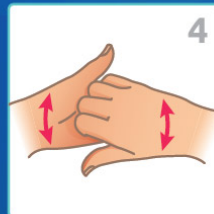

1 Apply plenty of the hand gel
